# About BC Attaching

The story of us began in 1957...

The Attaching Ball Club has the privilege of being able to draw on a large and well-equipped sports facility. It is located in the Attaching district of the same name, south-east of the city of Freising. We have space and scope for many different sports, which we also use extensively. We owe the fact that we are able to do this again and again to the many dedicated groundskeepers and course attendants in our members' ranks. Have a look and see for yourself!

# Cricket in Germany

Cricket in Germany has a history going back to 1858 when a group of people from England and the United States founded the first German Cricket Club in Berlin.

The national organisation for Cricket in Germany known as the German Cricket Federation (Deutscher Cricket Bund, DCB) founded in 1988 and is affiliated with International Cricket Council (ICC).
